

## **“Awake Estonia!” (“Ärka Eesti”) - 15 months of prayer for Estonia**

### ***What is „Awake Estonia!“?***

“Awake Estonia!” is a series of Christian events, which is aimed toward the spiritual awakening in all the 15 regions of Estonia over 15 months. It will prepare the people of Estonia for the great gospel campaign “Lootuse Festival” („Festival Of Hope“) that will take place in Estonia in 2025.

### ***Objective***

The objective of “Awake Estonia!” is to invite the believers in each region to pray for the people in their own surroundings and to equip them in practical ways to win souls and to perform follow up. The objective is to prepare the people of Estonia for the harvest, so that the “Festival Of Hope” would bear much fruit and that the new believers would remain in faith and grow into mature Christians.

### ***Why prayer?***

Transformed lives, spiritual growth and the advancement of the Kingdom of God is in direct relation to intercessory prayer. Prayer was the method of Jesus and history has shown that “Every advancement of missionary work is the direct result of prayer” (A. T. Pierson). Evangelist Charles Finney had an intercessor called Nash, who would pray until the spiritual atmosphere in the city was ready. Only then would he send a message to Finney, that the city is ready for the arrival of the evangelist. It is necessary for our intercessors to first break the strongholds of the enemy and to win the city in prayer so that our cities and regions would open for the Word of God. Only then are the hearts of the people properly prepared to receive the gospel of Christ.

### ***Why the gospel?***

Throughout the history, along with prayer, the gospel call to repentance has been at the center of the spiritual awakenings. For the gospel to spread though, it is necessary for it to first become alive in us. And for the fruit to remain, discipleship is needed. During these weekends the congregation will be stirred up and equipped to evangelize and disciple in their own home place.
